DEDICATION

Teacher, Musician, Soldier, Civic Leader, and Friend:

In recognition of your versatile ability, never failing cooperation, good citizenship, faithful service, untiring efforts, and willingness to give of your time, talent, and resources, we, the class of 1962, proudly and affectionately dedicate the twenty-fifth volume of the BERVERALON to you—Mr. William Schaefer.

You have served in the instrumental department of B. B. J. H. S. for eighteen years, providing us the opportunity to participate in band, orchestra, and dance band. A total of 22 seniors of 1962 have received musical instruction from you.

Your admirable qualities were recognized in 1961 when you became the honored recipient of the American Legion Award for services rendered in the community. No matter where our paths may part, we will always remember you with highest esteem.

May God bless you!

STUDENTS OF B. B. J. H. S.:

"Unless that liberty shall have taken deep root in your minds and hearts, there will not long be wanting one who will snatch from you by treachery" all that past generations of American patriots have made your heritage.

Living in a period both great and dangerous, may your education be so deeply rooted that you will think. By so doing you will recognize real values, serve your fellow men, and enjoy life's richest satisfactions.

TO THE SENIORS OF 1962:

Formal public education is a distinct privilege which we as Americans enjoy. It is my sincere hope that you have enjoyed this privilege and the experiences it has provided during your stay here.

I deeply appreciate the opportunity of sharing with you the accomplishment you have attained. We feel our school is a better place because you were here and shared with us your progress by your willingness to help and to learn.

May happiness and success be your good fortune as you apply the experiences of school days in life. My most sincere congratulations with best wishes for continued success are extended to each member of the Class of 1962.

NEW GRADE SCHOOL

Nineteen hundred sixty-two marks the first full year of public education in the new grade school.

The elementary students and grade school faculty moved into the new building in January 1961 and completed the '60-'61 school term.

The twenty-one class rooms are modernly designed. There is a very spacious parking lot which also serves as a playground for the students. Many other features to which we point with pride are the ample all purpose room, a vocational shop, and a pleasant cafeteria with an ultra-modern kitchen—all offering us the best in educational opportunity.

SENIOR CLASS HISTORY

As we, the class of 1962, reflect on our past, the memories of our high school days are once again brought to life.

We began our sophomore year by electing Donald Restly as president of our class with Harry Watkins, Phyllis Webb, and Ken Smith to aid him. The class rings were ordered this year.

Paul Caton, Ronald Walker, Joann Miller, and Harry Watkins were chosen as our junior class officers. The year got off to a good start with the launching of the magazine campaign. Our first stage presentation was "Cheaper by the Dozen" which was very successful.

As Father Time cut his swath, our long awaited senior year arrived. Our senior class president was Ronald Walker. The other officers were Jim Smith, Rose Krepelka, and Susan Fisher.

The hustle of senior activities began with the photographing of senior portraits followed by the production of "Little Women." The coronation of Karen Bowser as the first Homecoming Queen was a significant event of our final year.

The prom, final examinations, Class Night, Baccalaureate, and Commencement—these will complete the reflection of our high school days. From these roots we will branch to many new horizons. As graduates, the impressions and inspirations received at our Alma Mater will always be with us. Bonds that we have formed here will never be broken.

BBJHS Sports

The Mountaineers had little chance to show their baseball ability in a rain-shortened schedule. Inability to make up bal. games was a big cause for the short schedule.

Playing with a small squad, the Mountaineer football team posted a fair 4-5 record. Every player was forced to play under pressure all year as a shortage of substitutes caused each starter to play all 48 minutes. When the squad ended, no one could top them. But the lack of substitutes, injuries and the breaks for the other team caused most of the trouble for the Mountaineers.

Berlin opened its 1961-62 basketball season at Somerset on December 1. The Mountaineers had lost all of last year's squad through graduation. After three straight losses, the Mountaineers ran off nine consecutive victories. The team looked great all season and was perhaps the biggest surprise in Class B action this year.

Hats off to the members of the Mountaineer teams and to their coaches for many, many unforgettable moments.

EDITORS' MESSAGE

A black and white illustration of two young women standing on either side of a large, unrolled scroll. The woman on the left is wearing a light-colored, short-sleeved dress and has her arms crossed. The woman on the right is wearing a dark, long-sleeved dress with a high collar and glasses. The scroll is held taut between them, with its ends curling up at the top and bottom. The background is plain.

Friends,

We, the editors of the 1962 Bervalon, wish to express our sincere gratitude to our advisors, who patiently guided us in this publication; to the entire yearbook staff, who willingly and industriously assisted in preparing the twenty-fifth edition of our yearbook; also we would like to extend thanks to our patrons and friends who have shown a genuine interest in our school.

Through our efforts we have gained knowledge, experience, and consideration of others. "From These Roots" will come warm memories.
